What is a tax certificate?

A tax certificate is a document that includes a summary of your healthcare expenditure during the tax year. It is also known as the summary information of healthcare expenditure, and details exactly how much you've paid in contributions to GEMS for you and your dependants. It also details the claims paid between 01 March 2024 and 28 February 2025 for the current tax period. You are required to submit your tax certificate annually to SARS by completing your tax return.

The contributions paid to the Scheme from 01 March 2024 to 28 February 2025.

Portion of the claims you paid.

The number of beneficiaries on your membership.

Dear Mrs Sample

Summary Information of Healthcare Expenditure as at 28/02/2025

This letter provides you with a summary of information regarding your healthcare expenditure for submission to the South African Revenue Service (SARS). The benefit and contribution amounts shown below are for claims paid and contributions the Scheme received during the period 01/03/2024 to 28/02/2025.

Total contributions paid: R74332.00

Total number of beneficiaries (including principal member) per month:

Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec	Jan	Feb
2	2	2	2	2	2	2	2	2	2	2	2

The above contribution amount is calculated using the full contribution received from your employer, and the contribution component paid by members to the medical scheme through cash or debit order. Please refer to your RPS form to calculate your portion paid.

Your portion paid on claims: R0.20

The amount reflected above is the difference between the amount charged by the service provider and the benefit amount/limit covered by the medical scheme. It is your responsibility as the principal member to provide proof that this amount was paid to the service provider.

Please note that this amount shows only those claims that were processed up until 28/02/2025. Any claims with treatment dates that fall in this period, but that were not processed by this date, will be included in your Summary of Healthcare Expenditure for 2025.

Yours sincerely

Why are you receiving your tax certificate?

You need your tax certificate to complete the medical section of your annual tax return. You can claim back some of your medical costs from SARS, which could provide some relief. The information is auto-populated by your medical scheme. You can use your tax certificate to confirm the contributions and claims reflected on the tax return.

Important information on your tax certificate

- Total contributions paid (i.e., the full contribution received from your employer and the contribution component paid by you to the medical scheme through cash or debit order).
- Total number of beneficiaries on your medical aid.
- The member's portion paid on claims.
- A clear definition of what the summary of healthcare expenditures (tax certificate) entails.
