

Third Party Consent Form

Authorising GEMS to disclose personal information to a third party

Purpose of this form: Third party consent is when you consent to give another person or entity (referred to as the “third party”) access to your personal information with the Scheme. This consent will allow the nominated person(s) access to the membership profile for either a limited or indefinite period. The request will be supported by a completed and signed consent form that is submitted by the principal member.

An Application Programming Interface (API) enables all GEMS-contracted service providers to access the third-party consent form in real-time, in order to improve operational efficiency when assisting our members.

Please submit the completed and signed form via email to enquiries@gems.gov.za or fax to 0861 00 4367.
